i'm keeping our love warm,
keeping myself on cool
keeping our love warm,
livin' by the lovers' rules

i know we have to be apart,
that's just the way we have to live
but darling that can't change my heart,
you're the only one that i give my love to

and i'm keeping our love warm,
holding myself in check
i'm keeping our love warm,
wanting to hold you every second

you know i'm always waiting here,
saving it all for you
you never need to have a fear,
there's no other one that i'd give my love to

(ooh-hoo-ooh-ooh)
(ah-ah-ah-ah-ah-ah)
(ooh-hoo-ooh-ooh)
(ah-ah-ah-ah-ah-ah)

i dream about you every night,
think of you everyday
you know i'm gonna do you right,
you're the only one that i give my love to

(she's keeping our love warm)
keeping our love warm
(keeping herself on cool)
keeping myself on cool

(she's keeping our love warm)
keeping our love warm
(living by the lovers' rules)
livin' by the lover's rules

(she's keeping our love warm)

keeping our love warm
(keeping herself on cool)
keeping myself on cool

(she's keeping our love warm)
keeping our love warm
(living by the lovers' rules)
livin' by the lover's rules

keeping our love warm
