baby, there's a tear falling from your eye  
you know when i'm around, you ain't supposed to cry  
when you feel uptight, i'm here to make it right  
let mama know

on a cloudy day when you're all alone  
i'll only be as far as your telephone  
my number's on the wall, don't be afraid to call  
let mama know

let me be the one who turns you on to sunshine  
if anybody ever brings you down  
when you need some love and understanding  
just count on me, i'll always be around

if this crazy world should ever get in your way  
i'll turn the earth around and whip you up a brand new  
day  
when it comes to you, there's nothing i can't do  
let mama know

when you need some love and understanding  
just count on me, i'll always be around

if this crazy world should ever get in your way  
i'll turn the earth around and whip you up a brand new  
day  
when it comes to you, there's nothing i can't do

let mama know, (Ooh-Ooh, let your Mama know)  
let your mama know (Ooh-Ooh, let your Mama know)  
mm-mm-mm-mm-mm-mm, (Ooh-Ooh, let your Mama  
know)  
mm-mm-mm-mm-mm-mm, (Ooh-Ooh, let your Mama  
know)
