Lonely night
I cry myself to sleep
Tell me, what am I gonna do

Cause it's always been
You to dry my tears
It's always been you
To wash away my fears
It's always been you
Each night and day
Now what can I say
When love slips away

Lonely night
I'm walking the floor
Tell me, what am I gonna do

Without your precious love
Your tender touch
Hey, little man
I miss you so much
Wish we could turn back
The hands of time to the day
When you were mine

You used to call me Angel Face
Used to call me Angel Face

You used to help me
Through the night
Make me feel all right
Now all I have is teardrops
Through a lonely night

I can't get you out of my mind
I can't get you out of my mind
I can't get you out of my mind
I can't get you out of my mind

I promise you I'll change my ways
I promise you love's here to stay
Hey, little man, depend on me

I'll be yours through eternity

You used to call me Angel Face
Used to call me Angel Face

You used to help me
Through the night
Make me feel all right
Now all I have is teardrops
Through a lonely night

Used to call me Angel Face

You used to help me
Through the night
Make me feel all right
Now all I have is teardrops
Through a lonely night

I can't get you out of my mind
I can't get you out of my mind
I can't get you out of my mind
I can't get you out of my mind...
