Love, love will keep us together
Think of me, babe, whenever
Some sweet talkin' girl comes along
Singin' his song, don't mess around
You just got to be strong

Just stop, 'cause I really love you
Stop, I'll be thinking of you
Look in my heart
And let love keep us together

You, you belong to me now
Ain't gonna set you free now
When those girls start
Hanging around, talking me down
Hear with your heart and you won't hear a sound

Just stop, 'cause I really love you
Stop, I'll be thinkin' of you
Look in my heart
And let love keep us together, whatever
Young and beautiful
Someday your looks will be gone
When the others turn you off
Who'll be turnin' you on
I will, I will, I will

I will, be there to share forever
Love will keep us together
I said it before and I'll say it again
While others pretend
I need you now and I need you then

Just stop, 'cause I really love you
Stop, I'll be thinking of you
Look in my heart
And let love keep us together, whatever
I will, I will, I will, I will

You better stop, 'cause I really love you
Stop, I've been thinkin' of you
Look in my heart

And let love keep us together, whatever
I will, I will, I will, I will
