Sweet love is so fine  
and when you find it  
brother you better mind it  
like it was pure gold

you better be there when  
this girl needs-a-carin'  
cause if you don't mind your love  
someday that love will grow cold

cause love is like a flower  
you can't break or bend it  
you gotta love it and tend it  
everyday

if you're gonna keep it growin'  
keep your love light glowin'  
cause if you don't mind your love  
that love might just fade away

a - just lovin' you  
is all that I wanna do  
and I'll always be  
I'll be right there if you ever need me

because love is like a b-a-by  
it needs all your affection  
all your love and protection  
all the time

everyday, everyday I'm gonna live love  
every night, every night, I'm gonna give love  
honey, I'm gonna mind your love  
cause baby, your love's so fine

a - just lovin' you  
is all that I wanna do  
and I'll always be  
I'll be right there if you ever need me

because love is like a b-a-by

it needs all your affection  
all your love and protection  
all the time

everyday, everyday I'm gonna live love  
every night, every night, I'm gonna give love  
honey, I'm gonna mind your love  
cause baby, your love's so fine

everyday, everyday I'm gonna live love  
every night, every night, I'm gonna give love  
honey, I'm gonna mind your love  
cause baby, your love's so fine
