Oh, you don't call anymore,
I sit and wait in vain
I guess I'll rap on your door,
tap on your window pane
I wanna tell you baby
the changes I been going through
missin' you, listen' you
until you come back to me,
that's what I'm gonna do

Why did ya have to decide
you had to set me free?
I'm gonna swallow my pride,
beg ya to please... baby, please see me
I'm gonna walk by myself
just to prove that my love is true
all for you baby
until you come back to me,
that's what I'm gonna do

Livin' for you my dear
is like livin' in a world of constant fear
Hear my plee, i've got to make you see
our love is dying (our love is dying)

Although your phone, you ignore, somehow I must...
somehow I must explain
I'm gonna rap on your door (rap on it)
tap on your window pane (tap on your window pane)
I'm gonna camp on your steps
until I get through to you
I got to change your view, baby
until you come back to me,
that's what I'm gonna do

(Instrumental)

...Hear my plee, i've got to make you see
our love is dying (our love is dying)

Although your phone, you ignore, somehow I must...

somehow I must, somehow I must explain
I'm gonna rap on your door (rap on it)
tap on your window pane (tap on your window pane)
I'm gonna camp on your steps
until I get through to you
I got to change your view, baby
until you come back to me,
that's what I'm gonna do

until you come back to me,
that's what I'm gonna do

I'm gonna rap on your door
(Rap on it)
tap on your window pane
(tap on your window pane) Let me in, baby

I'm gonna rap on your door
(Rap on it)
tap on your window pane
(tap on your window pane) yes I am

I'm gonna rap on your door
(Rap on it)
tap on your window pane
(tap on your window pane) Hear me knockin' baby

I'm gonna rap on your door
(Rap on it)
tap on your window pane
(tap on your window pane)

(fade)
