You need a woman
Need a woman tonight
You are looking to your left
You are looking to your right

You need a woman tonight
You need a lover so right
You need a woman tonight

I got this feeling
Got this feeling inside
I'm not looking to run
I'm not looking to hide

You need a woman tonight
You need a lover so right
You need a woman tonight

Oh. it's on a lonely night
When a man needs a woman to love
And a woman to feel and
A woman to hold tight

Oh, it's on a lonely night
No man can do it all alone
He needs to find a guiding light

And you know, whoa, whoa...
It takes two to tango
Yeah, you know, whoa, whoa...
It takes two to tango

You need a woman
Need a woman right now
I'm not telling no lies
You need a lady and how

You need a woman tonight
You need a lover so right
You need a woman tonight

Oh. it's on a lonely night

When a man needs a woman to love
And a woman to feel and
A woman to hold tight

Oh, it's on a lonely night
No man can do it all alone
He needs to find a guiding light

And you know, whoa, whoa...
It takes two to tango
Whoa, yeah, you know
Whoa, whoa...
It takes two to tango
Yeah, yeah

You need a woman
Need a woman tonight

You need a woman
Need a woman tonight

You need a woman
Need a woman tonight...
