Beautiful days are long gone
I can't seem to breath
Feels like it hasn't been that long
Since you walked away from me
Now I can try to act real strong
But you and I both know
I still think of you, that way
You should know that

Beautiful lights,
They don't mean a thing
Cuz you are my star
So it don't seem right
Without you here with me
Now I can try to act real strong
But you and I both know it hard for me to say...
You were my soul

Now I could say that I don't love you no more
And I could say that I've closed the door for our love
And I could tell you I feel it's time for us to go our
seperate ways
But baby I just wouldn't be the same
Cuz girl your love is still on my brain...

Now when you're in love, it takes time to heal
When someones broken your heart it changes how you
feel
Girl I, thought that you would never do me that way
But even after all I still think of you that way

Now I could say that I don't love you no more
And I could say that I've closed the door for our love
And I could tell you I feel it's time for us to go our
seperate ways
But baby I just wouldn't be the same
Cuz girl your love is still on my brain...

Now love is a game, that we both like to play
Will I win or lose if I go or if I stay? (yeah)
Even though I tried to hide my broken-hearted side
Girl you know me inside out and I can't get you off of

my mind

Now I could say that I don't love you no more
And I could say that I've closed the door for our love
And I could tell you I feel it's time for us to go our
seperate ways
But baby I just wouldn't be the same
Cuz girl your love is still on my brain...
