She's my sunshine in the rain  
My Tylenol when I'm in pain yeah  
Let me tell you what she means to me  
Like a tall glass of lemonade  
When it's burnin' hot on summer days  
She's exactly what I need

### Chorus

She's soothing like the ocean rushing on the sand  
She takes care of me  
And she helps me be a better man  
She's so beautiful, sometimes I close my eyes  
She's exactly what I need

She's my smile when I'm feelin' blue  
My good night sleep when the day is through  
Let me tell you what she means to me  
(She's kinda like this)  
Kinda like the feelin' after your first kiss  
Except that Everyday she makes me feel like this  
She's exactly what I need
