Baby it's the simple things
Baby it's the little things

[Verse one]

I wanna take the time
To recognize
Exactly what I'm feelin' for you.
I appreciate,
Our first date.
Never got but conversating with you.
See I know
That we're ment to be together.
And your time, that's all I ask is nothing better.
Don't gotta spend a dime
You're doing just fine.

[Chorus]

Baby it's the simple things
The simple things that you do for me
Baby it's the little things
That means something real to me

[Verse two]

Baby take my hand
And hold on tight
Lets watch the stars fall down into the sky
Wanna stay up late all through the night
As long as your right here by my side
Yeah I know,
That we're ment to be together.
And the time, you spend with me there's nothing better
Don't gotta spend a dime
You're doing just fine.

[Chorus]

Baby it's the simple things
The simple things that you do for me
Baby it's the little things
That means something real to me
X2

[Bridge]

And I love it how you make me smile
More and more each day
Maybe it's you who makes me feel complete

[Chorus]

Baby it's the simple things
The simple things that you do for me
Baby it's the little things
That means something real to me
X2

Ohh, yeah
Simple Things
