Certainly stunnin' she's a kool kool runnin'
She, she, she's a kool kool runnin'
Certainly stunnin' she's a kool kool runnin'
She's the one I call mi-I-I-I-I-ne
Hello! hello! o-o-o-o-o-o-h
Met her on friday left her on saturday
Hello! hello! o-o-o-o-o-o-h
Rendez vu on sunday dashed on monday

I'm searching for a romance in all the wrong places, I
ask myself at night
Will we ever change graces, I go crazy crazy crazy
when I see your
Silhouette, We called it puppy love yes I was a pet, she
loves me in the Am
And she loves me in the night, she love me love me
love me love me love me
Long time.

Hello! hello! o-o-o-o-o-o-h
Met her on friday left her on saturday
Hello! hello! o-o-o-o-o-o-h
Rendez vu on sunday dashed on monday

Certainly stunnin' she's a kool kool runnin'
She, she, she's a kool kool runnin'
Certainly stunnin' she's a kool kool runnin'
She's the one I call mi-I-I-I-I-ne

She my small town girl, my metropolis girl, she's the
one I call
Mi-I-I-I-I-ne, she my consulate girl cause my politic girl
she she she's
Mi-I-I-I-I-ne

When evening came the shadow follow follow in my
leave, when the sun shine
I decided to leave, dressed like a mili I am certainly
something kool kool
Kool kool kool runnin, no destination as exit with the
wind, loser never

Lose and winners never win, the seconds turn to
minutes and the minutes
Turn to hours my cherry cherry blossom there is a
message in a bottle

Hello! hello! o-o-o-o-o-o-h
Met her on friday left her on saturday
Hello! hello! hello o-o-o-o-o-o-h
Rendez vu on sunday dashed on monday

She's the one I call mi-I-I-I-I-ne

She my small town girl, my metropolis girl, she's the
