Staring at the dashboard light
Don't know my speed
And I play the music far to loud
I get lost but I don't care that's how I feel
It's been a while since we've stopped trying
Am I still holding out for the day

We can be
Forgiven,
We don't have to feel ashamed
Forgiven,
All the wicked games we've played

I don't know the state I'm in or where I've been
These chemicals are wearing thin
The way I feel about her now don't know for sure
Did I leave so she'd want me more
Am I still holding out for the day

We can be
Forgiven,
We don't have to feel ashamed
Forgiven
All the wicked games we've played

We can be
Forgiven,
We don't have to feel ashamed
Forgiven,
All the wicked games we've played

We don't have to feel ashamed
All the wicked games we've played

We can be
Forgiven,
We don't have to feel ashamed
Forgiven,
All the wicked games we've played

We can be
Forgiven,

We don't have to feel ashamed
Forgiven,
All the wicked games we've played
