Sometimes I no longer think  
I have to leave this town alive  
Sometimes I get over the feeling  
That I'm living underground

You're always just in time

Cause when I'm feeling lost  
A little means a lot  
When I've given all I've got  
A little means a lot  
A few small words from you

Sometimes I close my eyes

I dream a sky in this basement  
Sometimes I'm living without  
Having to know every answer

You're always just in time

Cause when I'm feeling lost  
A little means a lot  
When I've given all I've got  
A little means a lot  
A few small words from you
