It hurts me to lean on you
What can I say
Nothing I know suits me so fine
I take the blame
All I can see right now is that it's dark
And I've lost your heart

We're still waiting for the one
We're still falling for a superhuman
Keeps our hearts from moving on
We're still dreaming of a superhuman now

Shallow beliefs I know tell me I'm wrong

Are you happy now as I know that you are strong
I'm sorry 'bout something but I dont seem to know
How to let you go

We're still waiting for the one
We're still falling for a superhuman
Keeps our hearts from moving on
We're still dreaming of a superhuman now

You better believe in something before you go
