Lately, I've been known,  
For makin' up excuses,  
And all too many times,  
Wonderin' what the use is, now.

Nothing's like it used to be,  
When you and me,  
Were all I ever dreamed of.

Dreams just don't come true,  
Just the way I planned them.  
Looking back in time,  
I still don't understand,  
Just how, the feeling comes and goes.

So before I start to lie,  
I want you to know,  
Oh...

[Chorus:]  
And I don't wanna go,  
But I can't stay here no more.  
(I don't wanna go)  
(I don't wanna go)  
(I don't wanna go)  
And I don't wanna go,  
But it just ain't like before.

And I don't want you to love me,  
Oh, how I wished I loved you like I did.  
You know I did.  
[End Chorus]

Did we turn away,  
Just when we saw it coming?  
And could we have been saved?  
Would we be just runnin' a scam?

Space became so wide,  
That no matter how we tried,  
There was just no place to hide it...  
Just no place to hide it!

[Repeat Chorus]

(I don't wanna go but I can't stay here no more)  
And I don't wanna go, no.  
(I don't wanna go but it just ain't like before)  
And now, we will only be untrue.  
So before I start to lie,  
I want you to know,  
Oh...

I don't wanna go but I can't stay here no more.  
Oh, I don't wanna go but it just ain't like before.  
Oh, I don't wanna go but I can't stay here no more.  
Oh, I don't wanna go but it just ain't like before.  
Oh...

[Fade]
