"Black Sheep"

My daddy was a brakeman on a highball traveling train
Mama she raised four little children and the family had
a good name
And papa and mama wanted all for us they never had
Big brother little brother sister too none of them turned
out half bad
Cept me I'm the black sheep of the family

Big brother went to college and became a doctor man
I guess he makes about a million dollars a year off the
folks on insurance plan
He's got a big long Mercedes Benz and a house
overlooking the town
He sits in his Ja'causezi and he watches the sun go
down
And he feels real sorry for me I'm the black sheep of
the family

Yeah I drive me a big ol' semi truck I'm makin'
payments on a two room shack
My wife she waits on tables and at night she rubs my
back
And I tell her what my papa said to my mama when he
got off a highball train
Wake me up early be good to my dogs and teach my
children to pray

Little sister married a banker yeah he owns a country
club
He bought her a big ol' racing horse and a funny lookin'
little dog
He buys her big rings and diamonds and a brand new
Japanese yacht
They like to get together and talk about all the things
they've got
But they never mention me I'm the black sheep of the
family

Yeah I drive me a big ol' semi truck...
I'm sayin' woman wake me up early be good to my
dogs

And teach my children to pray
