They read you Cinderella  
You hoped it would come true  
That one day your Prince Charming  
Would come rescue you  
You like romantic movies  
You never will forget  
The way you felt when Romeo kissed Juliet  
All this time that you've been waiting  
You don't have to wait no more

I can love you like that  
I would make you my world  
Move Heaven and Earth if you were my girl  
I will give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
If you give me a chance  
I can love you like that

I never make a promise I don't intend to keep  
So when I say forever, forever's what I mean  
I'm no Casanova but I swear this much is true  
I'll be holdin' nothin' back when it comes to you  
You dream of love that's everlasting  
Well, baby open up your eyes

I can love you like that  
I would make you my world  
Move Heaven and Earth if you were my girl  
I will give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
If you give me a chance  
I can love you like that

You want tenderness, I got tenderness  
And I see through to the heart of you  
If you want a man who understands  
You don't have to look very far  
I can love you  
I can

I can love you like that  
I would make you my world  
Move Heaven and Earth if you were my girl  
I will give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
I can love you like that  
I would make you my world  
Move Heaven and Earth if you were my girl  
I will give you my heart  
Be all that you need  
Show you you're everything that's precious to me  
I can love you like that  
I would make you my world  
Move Heaven and Earth...
