(Michael Garvin/Anthony Smith/P.R. Battle)

In the same breath you told me it was over
You said in time I'd feel like somebody new
And as you walk away I'm sure you wonder
What will I do my first night without you

Party down
Celebrate
Paint the town
Stay out late
No more livin in a never ending heartache
Free at last
Life is great
Hello world
I can't wait
Oh what will I do without you around
Party down, party down

Forgive me if I don't come up with teardrops
I've already done my cryin over you
Let me help you take your bags out to the pickup
'Cause one you're gone
I've got some things to do

Party down
Celebrate
Paint the town
Stay out late
No more livin in a never ending heartache
Free at last
Life is great
Hello world
I can't wait
Oh what will I do without you around
Party down, party down

I made a vow to always stay with you
But you didn't feel the same
The way you treated me was a shame
Now I'm gonna break these chains

And I know just how I'm gonna do it

Party down

Celebrate

Paint the town

Stay out late

No more livin in a never ending heartache

Free at last

Life is great

Hello world

I can't wait

Oh what will I do without you around

Party down, party down
