I might give up  
I might give in  
Â'cause I know youÂ're about to win  
I look at you  
I sense it still  
That my turn is up again

IÂ'm drowning in the pouring rain  
But since I met you things have changed

ThereÂ's something about you  
I canÂ't live without you  
You just linger on min  
All the time

I fill my arms  
With thoughts of you  
You bring out the best in me  
If I should fall What would you do  
Would you take care of me

IÂ'm drowning in the pouring rain  
But since I met you things have changed

ThereÂ's somethingÂ...

Would you take care of me  
If I asked you to  
I know youÂ're the one  
Want to run to you  
ThereÂ's something about youÂ....
