After the gold  
After the parade  
There was nothing left to hide  
I took my boat into the night and cried out for selvation  
She heard a voice  
I heard the stars  
I threw myslef into the lies  
God brad drown in passion and pain for once a duller  
day

So you my lady bitter sweet  
You are the greatest love I've met  
I'm sorry if my conciuos fails tonight  
And when you sing your lullaby you feel the blues and  
the crowd  
But I slumber safe within' tonight  
'Cause the bitter sweet has always felt so right

Tear me apart  
Show me what's in  
Red vein of christain  
Blue vein of king  
Sometimes I tramble and fall apart  
'Cause I can still remember  
How it was like to live on the shorl  
With pearls and things that I adore  
But I was born to love you free  
In pure of laque quee

So you my lady bitter sweet  
You are the greatest love I've met  
I'm sorry if my conciuos fails tonight  
And when you sing your lullaby you feel the blues and  
the crowd  
But I slumber safe within' tonight  
'Cause the bitter sweet has always felt so right

She sings above the sun  
She sings above the moon  
Why livin' in betrades and this blues so deep and blue  
And too

Yes she have seen the two

So you my lady bitter sweet  
You are the greatest love I've met  
I'm sorry if my conciuos fails tonight  
And when you sing your lullaby you feel the blues and  
the crowd  
But I slumber safe within' tonight  
'Cause the bitter sweet has always felt so right
