I was not concerned no way
But something caught my eye that day
I'd spent so much time on my own
I could hardly breathe, but I was home
No more madness
I was flawless
If she could just get away
I'd show her how
I'd show her where

No way I was not prepared
Another day in love
Come on, come on, come on, come on
It's not fair
I've had my share
I'd rather be alone
Come on, come on, get in, get out

I thought I picked a different line
I hoped I'd make it back on time
Feeling anxious, fever's high
I'll never stop, and time goes by

You won't blow this
You can't do that
I line up clichés one by one
I'll never stop...
No I won't back down...

No way I was not prepared
Another day in love
Come on, come on, come on, come on
It's not fair
I've had my share
I'd rather be alone
Come on, come on, get in, get out

I was not too sure I'd stay
No, no, no, no
I was not convinced you'd stay
No, no, no, no

I would rather be with someone new...

Ooooh!

No way I was not prepared
Another day in love
Come on, come on, come on, come on
It's not fair
I've had my share
I'd rather be alone
Come on, come on, get in, get out
Come on, come on, get in, get out
Come on, come on, get in, get out
