You say you really know me  
You're not afraid to show me  
What is in your eyes  
So tell me 'bout the rumors  
Are they only rumors?  
Are they only lies?

Falling out of a perfect dream  
Coming out of the blue

Is it true? (Is it true?)  
Is it over?  
Did I throw it away?  
Was it you? (Was it you?)  
Did you tell me  
You would never leave me this way?

If you really knew me  
You couldn't do this to me  
You would be my friend  
If one of us is lying  
There's no use in trying  
No need to pretend

Falling out of a perfect dream  
Coming out of the blue

Is it true? (Is it true?)  
Is it over?  
Did I throw it away?  
Was it you? (Was it you?)  
Did you tell me  
You would never leave me this way?

Is it true? (Is it true?)  
Is it over?  
Did I throw it away?  
Was it you? (Was it you?)  
Did you tell me  
You would never leave me this way?

(Is it real? Did I dream it?)

Will I wake from this pain?  
Is it true? (Is it true?)  
Is it over?  
Baby, did I throw it away?

Ooh... is it true?
