Grab your coat, honey, grab your hat  
This train is leaving and it ain't comin' back  
Don't need a ticket, can't you understand?  
You're on your way to the Promised Land

It's overdue but now the time is right, yeah  
It's up to you to make it real, so take me  
Take me back to Paradise  
Take me back to Paradise

Old Saint Peter at the Pearly Gate  
Said, "Hurry up, boy, or you're gonna be late  
Take your mind off your worries for a moment or two  
You gotta rock to the rhythm, it ain't hard to do

'Cause what you see I know you're gonna like, yeah  
It's up to you to make it real, so take me  
Take me back to Paradise, Paradise  
Take me back to Paradise, Paradise

When it's out of reach  
It's just another beach in another town  
You get your feet back on the ground

You worked all your life  
You ain't satisfied with a thing you've found  
When will you realize it'll come around?

Pack your bags, baby, get your things  
You never know what tomorrow brings  
Mind your step and watch what you say  
Before you know you'll be on your way

It's overdue but now the time is right, yeah  
It's up to you to make it real, so take me  
Take me back to Paradise, Paradise  
Take me back to Paradise, Paradise

Take me back to Paradise, Paradise  
Won't you take me back to Paradise, Paradise?  
Take me back to Paradise
