Who got our love?  
I want to know  
Who's having fun  
In places we used to go?

Who stole your heart?  
I want it back  
I'm tired of livin'  
Without love in this old shack

I'm tellin' you, babe  
I've had enough  
Without your kisses, honey  
It gets too rough  
Who got our love?

And who got the love  
That I need so much?  
And who's feelin' all the pleasures  
Of your touch?

Who found the key  
To open up your door?  
Who got the love  
I'm lookin' for?

Who got our love?  
I want it now  
Maybe we could  
Get it back together somehow

Who stole the flame  
That burns so bright?  
It used to keep me warm  
On the cold cold night

I'm tellin' you, babe  
I've had enough  
Without your kisses, honey  
It's just too rough  
Who got our love?

Who got the love  
That I need so much?  
And who's feelin' all the pleasures  
Of your touch?

Who found the key  
To open up your door?  
Who got the love  
I'm lookin' for?

Who got our love?
