well i'm out of your bones,  
and trying to set the oceans free.  
slide down the avenue.  
the car is parked there.

dining of the days, like a hand of cards.  
and the oceans making waves,  
to wash you clean. to wash you clean.

i'm having the time, with these cinder blocks strapped  
to my back.  
they're all that i've got.  
when you're sick of my tricks,  
you throw in the towel at me.

pull the string on the bulb in the bathroom  
for a sad silhouette  
and i'll crawl like a bug, to the end of the hall  
while you are sleeping sweetly

i'm having the time,  
with these cinder blocks strapped to my back.  
they're all that i've got.  
when you're sick of my tricks,  
and you throw in the towel at me.  
when you're sick of my tricks  
and you throw in the  
when you're sick of my tricks  
and you throw in the towel at me.

oh, i just want to make everyone happy,  
oh i.. i just wanna make everyone happy,  
and i.. i just want to make everyone happy like me.

i'm having the time,  
with these cinderblocks strapped tomy back  
they're all that i've got  
when you're sick of my tricks  
and you throw in the towel at me..

i'm having the time,  
with these cinderblocks strapped to my back

they're all that i've got.  
when you're sick of my tricks,  
and you throw in the towel at mee.
