Can I take you
Out tonight?
A walk on the beach
Or dine by candlelight

Deep conversation
Or gentle persuasion
Let me be what you need

I can be
A shoulder to cry on
I can be a friend
To depend on

[Chorus:]
Let me show you
What a man can do
Be strong
And sensitive for you
Let me show you
What a man can do
Baby, let me show you

It's not about
The physical, no, no
A real man looks far

Beyond skin deep

He looks at a soul
The beauty inside
He offers
His whole heart
With nothing to hide

[Chorus]

Trust, baby trust
Your heart this time
I will leave no doubt
No doubt in your mind
Just let these words

Ring true
I love you
With all
That I am

Baby

[Chorus]

[Repeat 3 Verse]

Just let me show you
Let me show you
