I can hear the guitars start to play
And very soon they say
I was a fool to turn my love away

And with each glass of wine
I feel a glow
And very soon I know
I was a fool to let my baby go

So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
Tears won't help anymore

Yes, let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
Now she's gone, I can't
Hold back the tears anymore

I can see the couples
Dancing through the night
They hold each other tight
As they dance of love
Til the morning light

The soft embraces
That they seem to share
Just make me feel aware
Of the loneliness
I find so hard to bear

So let the heartaches begin
I can't help it, I can't win
I've lost that girl for sure
My tears won't help anymore

Yes, let the heartaches
Heartaches begin
I just can't help it
You know that I just can't win

I've lost that girl for sure
And now that she's gone
I can't hold back
The tears anymore
