Lying in my bed  
I hear the clock tick and think of you  
Caught up in circles  
Confusion is nothing new

Flash back warm night  
Almost left behind  
A suitcase of memories  
Time after sometimes  
You picture me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you've said

And you say, go slow  
I fall behind  
The second hand unwinds

If you're lost, you can look  
And you will find me  
Time after time  
If you fall I will catch you  
I'll be waiting  
Time after time  
If you're lost, you can look  
And you will find me  
Time after time  
If you fall I will catch you  
\*I'll\* be waiting  
Time after time

After my picture fades  
And darkness has turned to grey  
Watching through windows  
You're wondering if I'm okay

Secrets, Stolen  
From deep inside  
The drum beats out of time

If you're lost, you can look  
And you will find me

Time after time  
If you fall I will catch you  
I'll be waiting  
Time after time  
If you're lost, you can look  
And you will find me  
Time after time  
If you fall I will catch you  
\*I'll\* be waiting  
Time after time

You say, go slow  
I fall behind  
The second hand unwinds

If you're lost, you can look  
And you will find me  
Time after time  
If you fall I will catch you  
I'll be waiting  
Time after time  
If you're lost, you can look  
And you will find me  
Time after time  
If you fall I will catch you  
\*I'll\* be waiting  
Time after time

Time after time  
Time after time  
Time after time
