It's been a long time since I've held her close  
We've misplaced feelings that we used to know  
Thought I could see between the lines I read  
But I wasn't ready when she turned to me and said

"I can't eat and I can't sleep  
Sometimes I find it hard to breathe  
I break down and cry, not knowing why but now I can't  
lie  
I'm standing on the edge of goodbye"

All of those years came rushing through my mind  
And I found myself back in a simpler time  
Just two young kids runnin' on fire and dreams  
And in her eyes I realized, she was calling out to me

She said, "I can't eat and I can't sleep  
Sometimes I find it hard to breath  
I break down and cry, not knowing why but now I can't  
lie  
I'm standing on the edge of goodbye, goodbye"

I would do anything to let her know  
There's just no way my heart can let her go

'Cause I can't eat and I can't sleep  
Sometimes I find it hard to breath  
I break down and cry not knowing why but now I can't  
lie  
She's standing on the edge of goodbye, goodbye

And I can't eat and I can't sleep  
Sometimes I find it hard to breath  
I break down and cry, not knowing why but now I can't  
lie  
She's standing on the edge of goodbye, goodbye

Standing on the edge of goodbye  
Standing on the edge of goodbye  
Standing on the edge of goodbye, goodbye  
Standing on the edge of goodbye  
Standing on the edge of goodbye
