Come stop your crying it will be all right  
Just take my hand, hold it tight  
I will protect you from all around you  
I will be here, don't you cry

For one so small, you seem so strong  
My arms will hold you, keep you safe and warm  
This bond between us, can't be broken  
I will be here, don't you cry

'Cause you'll be in my heart, yes, you'll be in my heart  
From this day on, now and forever more  
You'll be in my heart, no matter what they say  
You'll be here in my heart, always

Why can't they understand the way we feel  
They just can't trust but they can't explain  
I know we're different but deep inside us  
We're just the same, so don't you cry

'Cause you'll be in my heart, yes, you'll be in my heart  
From this day on, now and forever more

Don't listen to them 'cause what do they know  
We need each other to have and to hold  
They'll see in time, I know  
We'll show them together

'Cause you'll be in my heart, you'll be in my heart  
From this day on, now and forever more  
Yes you'll be in my heart, no matter what they say  
You'll be here in my heart, always, always
