I always was a rebel loved to break the rules
Thought I was something special any sign of weakness
wasn't cool
I never ran from trouble yeah I stood my ground and
fought
But when it comes to your love I'm not as tough as I
thought
You got this power over me makes me weak in the
knees
And the lovesick blues is what I got
Your love is so strong I'm barely hanging on
Well I guess I'm not as tough as I thought
Take a man with wild desires with a heart as cold as ice
Watch him fall yeah watch him crawl when love walks in
his life
I don't know how you do it to me I just hope you never
stop
Cause when it comes to your love I'm not as tough as I
thought
You got this power...
[guitar - steel]
You got this power...
