I woke up to find her gone in the misty morning's light  
Somewhere before the dawn she had taken flight  
Well, you know there ain't no telling  
Where that girl might roam

I seen it comin' so it came as no surprise  
She had wild horses in her eyes

I could have followed but I'd had to follow way behind  
Her soul was set on stampedin' across that borderline  
A fool will always tell himself  
What he wants to hear each time

She had an untamed look she never did disguise  
She had wild horses in her eyes

Wild horses go unbroken  
Wish my heart could say the same  
But I couldn't hold on  
To the reins of her love

Well I seen it coming  
So it came as no surprise  
She had wild horses in her eyes  
She had wild horses in her eyes  
She had wild horses in her eyes
