"P" is for Paddy

As I walked out in the bright morning,
to take a pleasant walk,
I sat down beside an old stone wall,
just to hear two lovers talk
just to hear two lovers talk my love,
to hear what they might say,
so I might learn a little more love before I go away

"P" it stands for paddy I suppose,
"J" for my love John,
"W" stands for false Willy-o,
but Johnny is the fairest Man
Johnny is the fairest man She Said,
Johnny is the fairest man,
I don't care what anybody says for Johnny is the fairest
man

come and sit beside me my love
nah, I don't really have the time
for you love another little lad
and Your hearts no longer mine
and Your hearts no longer mine he said,
hearts no longer mine!
and I don't care what anybody says for your hearts no
longer mine,

"P" it stands for paddy I suppose,
"J" for my love John,
"W" stands for false Willy-o,
but Johnny is the fairest man,
Johnny is the fairest man She Said,
Johnny is the fairest man,
I don't care what anybody says for Johnny is the fairest
man

Well I will climb a high high tree
and rob a wild birds nest,
back I'll bring what I find there
to the girl I love the best

to the girl I love the best he said
to the girl I love the best
back I'll bring what I find there
to the girl I love the best

"P" it stands for paddy I suppose,
"J" for my love John,
"W" stands for false Willy-o,
but Johnny is the fairest Man
Johnny is the fairest man She Said,
Johnny is the fairest man,
I don't care what anybody says for Johnny is the fairest
man
