So betterman I am since I  
Come into contact with you  
And you taught so many things about myself  
and you know this is true  
but now we are apart and its all my fault  
cos you know I need to be alone  
Don't know myself  
so how can I share me with you girl or anyone

Don't want to be a thorn in your side  
good woman  
Always be the one  
to make you cry  
Don't wanna be that guy  
Good woman  
cos you deserve everything  
and I got nothing so leave me  
and i'll go away better off I stay  
Far from you,  
Cos you are beautiful

BEAUTIFUL WOMAN

Now typical man  
I am because you think  
I want my cake and eat it too  
Cos say I can't be in a relationship  
but I still feel for you  
Cos you are the best woman  
This old man has ever met  
You taught me about my soul  
you shared with me your magic

Don't want to be a thorn in your side  
good woman  
Always be the one  
to make you cry  
Don't wanna be that guy  
Good woman  
cos you deserve everything  
and I got nothing so leave me

and i'll go away better off I stay  
Far from you,  
because you are beautiful

So betterman I am since I  
Come into contact with you  
And you taught  
so many things about myself  
and you know this is true  
but now we are apart and its all my fault  
cos you know I need to be alone  
Don't know myself  
so how can I share me with you girl  
or anyone  
Cause you are

BEAUTIFUL BEAUTIFUL BEAUTIFUL WOMAN?  
SO BETTER MAN I AM COS OF YOU?
