Girl i don't want to argue  
I don't wanna fight  
And if there's something wrong  
Yes you know i'm gonna try to make it right  
I love you, you love me  
We be one family tonight  
So get right over here  
Let's get down col' funky tonight

Girl you are my queen  
And there ain't no doubt about it  
And if you want i'll tell the world  
Yes you know i'll shout it  
The way you walk, talk, move yeah girl get me high as  
a kite  
So get right over here lets get down col' funky tonight

Tonight  
What's your name?  
Lets go back to when we first met  
Back in 1999 'preciate  
Before you knew i was yours and you mine, yeah

Oooooo wooooo  
Oooooo wooooo  
Oooooo wooooo  
Oooooo wooooo

Gonna turn the lights down low  
Put the stereo on  
Put on our favourite record by  
Ella Fitz and Louis Armstrong  
And take you to our living room dancefloor  
And i'll hold you tight  
I guarantee you and me gonna get down funky tonight  
I guarantee you and me gonna get down funky tonight  
I guarantee you and me gonna get funky tonight

What's your name?  
Lets go back to when we first met  
Back in 1999 'preciate  
Before you knew i was yours and i knew you were mine,

What's your name?  
Lets go back to when we first met  
Back in 1999 'preciate  
Before you knew i was yours and you mine, yeah
