Now i dont want to argue i dont want to fight
and if theres something wrong yes you know im gonna
try to make it right
i love you you love me we be one family tonight
so get right over here and lets get down get funky
tonight

'Cause you are my queen and there aint no doubt
about it
and if you want ill tell the world yes you know ill shout it
the way you walk, talk, move yeah girl get me high as a
kite
so get right over here and lets get down get funky
tonight, tonight

whats your name
lets go back to when we first met back in 1999,
Appreciate
before you knew i was yours and you mine...yeah

and now i turn the lights down low 'n put the stereo on
put on our favourite record by Ella Fitz and Louis
Armstrong

take you to our living room dance floor and hold you
tight
i guarantee you and me gonna get down funky tonight
i guarantee you and me gonna get down funky tonight
i guarantee you and me gonna get down funky tonight

whats your name
lets go back to when we first met back in 1999,
appreciate
before you knew i was yours and you knew you were
mine

whats your name
lets go back to when we first met back in 1999,
appreciate
before you knew i was yours and you mine
