*****INCOMPLETE*****

Have you ever wanted something, that you knew you
could not have
and the more you sat there stalling, there more it made
you wanna grab
and make it your own you own, it ain't your own
(?)it get old,(?) just like before
like the countless blazing sunsets, infinite whispering
waves
from the time this world was born, to this moment you
want to save
and make it your own, it ain't your own
(?)it get old,(?) just like before
like a thousand days of (?)goblins(?)
running through your petty lands
did you think that's ..sunshine..(?)
now you look down to see wrinkles
watching the dust, as it lands
Did you write your name in sand?
and get stoned
and get stoned
can't get stoned, stoned, stoned

have you ever wanted something that you knew would
never last
like this ticking tocking moment that just went ticking
tocking past
now it's just gone.... (?)
like a thousand days of (?)goblins(?)
running through your petty lands
did you think that's ..sunshine..(?)
now you look down to see wrinkles
watching the dust, as it lands
Did you write your name in sand?
and get stoned
and get stoned

now you look down to see wrinkles
watching the dust, as it lands
Did you write your name in sand?

than get stoned
than get stoned
than get stoned
than get stoned
