Beautiful woman, so sexy
Come shake that bottom over, over to me
Feel that one drop, feel that skank
Brother B playing that Hip Hop
It better than a, money in the bank

Lights are low, moon is high, I want you to know
That you're the brightest star in my sky and I'm

I'm groovin' slowly with my woman
Groovin' slowly with my woman

DJ play that music all night long
Play that funky Kingston
You know it's our, our favorite song
Feel that back beat, feel that groove
Got my baby on the dance floor
She doin' all her, her favorite moves

I want you to know girl, I want you to feel
I want to show you that my love is real
I want you to see girl
You're the brightest star that shines
And even though there is no forever
I'm gonna love you 'til the end of time 'cause I'm

I'm groovin' slowly with my woman
Groovin' slowly with my woman
I said that, na na na
Groovin' slowly with my woman, groovin' slowly

Beautiful woman, so sexy
Come shake that bottom over, over to me girl
Feel that one drop, feel that skank
Brother B playing that Hip Hop
It better than a, money in the bank

And lights are low, moon is high, I want you to know
That you're the brightest star in my sky and I'm

I'm groovin' slowly with my woman
Groovin' slowly with my woman

I said that, ba da da
Groovin' slowly with my woman, I'm groovin' slowly

Yes, you're the one and I'm the one
So we can be together and do what we like
So be the moon and I'm the sun
And you could be the sky and I will be what they want

This should have been upon the fire
And everyone would proper be to fool who lie
I sent a lie, I told your friends
I'll be the one for you until the very end
