Well there's far too many questions to ask
To answer any of them tonight
For I wear too many masks
To tell you if any of them are wrong or right

And confusion casts a shadow upon me
Like a great big cloud in the sky
And now oh I pray for rain
Cause it's been so long since I let myself cry

For so long I've sang this sad old song
And it feels like my time is up
For she came and landed in my arms
And she filled my half empty cup
Yes she filled my half empty cup

There you are right in front of me
A brand new day, sunrise over sea
No Longer is my cup half empty
Cause there you are
You and you mum in front of me
And Now I look up above me and
I thank that great old God in the sky
For telling me my cup ain't half empty
It took my little girl to show me why

For so long I've sang this sad old song
And it feels like my time is up
For she came and landed in my arms
And she filled my half empty cup
Yeh she filled my half empty cup

There you are right in front of me
A brand new day sunrise over sea.
No longer is my cup half empty
Cause there you are
You and your mum in front of me
Your peaches & cream to me
You both are peaches & cream to me
You both are peaches & cream to me

All I know is

All I know and
I love youâ€¦.
