So there aint no need to pickapart me
Cause what you get aint what you see
I said a little fucked up, i said a little crazy
But there aint no need to pickapart me

Going down the road nobody gonna go and gonna get
in my way
Nothing gonna stop old me from finding myself a new
day
And as long as I don't hurt no one, I don't be hurting no
one I still say
Nothing gonna stop old me from finding myself a new
day
Oh no ,I said and nothing going to stop me or you
Hell no...yeh

So there aint no need to pickapart me
Cause what you get aint what you see
I said a little fucked up,i said a little crazy
But there aint no need to pickapart me
I got four hail marys flying over my head
Trying to make me sad everyday
Gonna shoot those little motherfuckers down
With my positive artillery
Cause it doesn't really matter who you listen to
Or who ya gonna go believe
I said nothing really stopping me or anybody else
From going and a being free
Cause it doesn't really matter who you listen to
Or who ya gonna go believe
I said nothing really stopping me or anybody else
From going and a being free

Oh no ,Said nothing gonna stop me
Or you
Hell no
No nothing gonna stop me or you
Hell no
