

John Butler Trio "Seeing Angels"

Why do I deserve such a visit
From the one I thought I'd never meet.
Beyond my greatest expectations.
You exceeded everything.
Well here I am

Take me for what you see
For I'm transparent in the light of you.
And look inside,
See that fire burning bright
The same one that you rekindled inside me

My mouth was dry
Only you quenched my thirst
I thought I was last
You told me I was first.

And I thought I was seeing Angels
And now I know I was.
Your wings around me
Feel good they always does.

So there I was
Ain't the same man I used to be
But do you still like what you see in me.

Still see through,
Always will be with you.
Can you stand to see my vulnerability

For I am frightened
Shed so much I clung onto
The only things I have left is this guitar and you.

Nowhere to run
Been out here too long
Under the sun.
Am I too afraid
To get some.
To afraid to give myself some shade
I hope and pray I do some day.
