"What You Want"

What you want to say
Wait till you get home
I'm sick of communicating
Over the telephone

Tell me how you feel
For I am lonely too
Need you to know
I'm just as cold and numb as you

But I could fly away
Or I could be no one
And you could be the sunshine
Falling over the mountains

Or you could come to stay
You could come right home
Don't see why I have to
Live this life all alone

I know there is a way
To make up for old mistakes
I know what's happening
Is for a reason
