Silence in the darkness  
Creeps into your soul  
Envy moves the light  
Of self control

The gate that holds  
You captive has the door  
Burning with determination  
To even up the score

Heart's on fire, strong desire  
Rages deep within  
Heart's on fire, fever's rising high  
The moment of truth draws near

Time will not allow  
You to stay still, no  
Silence breaks the heart  
And bends the will

Defense is guilty  
Passions out of control  
Rules and regulations  
Have no meaning any more

Heart's on fire, strong desire  
Rages deep within  
Heart's on fire, fever's rising high  
The moment of truth is here

Oh, is here  
Oh, yeah

Heart's on fire, strong desire  
Rages deep within  
Fever's rising, energizing  
Right up to til end

Heart's on fire  
Strong desire  
Rages deep within

Fever's rising  
Energizing  
Right up til the end...
