Valerie solanis took the elevator got off at the 4th floor
Valerie solanis took the elevator got off at the 4th floor
She pointed the gun at andy saying you cannot control
me anymore

And I believe there's got to be some retribution
I believe an eye for an eye is elemental
And I believe that something's wrong if she's alive right
now

Valerie solanis took three steps pointing at the floor
Valerie solanis waved her gun pointing at the floor
From inside her idiot madness spoke and bang
Andy fell onto the floor

And I believe life's serious enough for retribution
I believe being sick is no excuse and
I believe I would've pulled the switch on her myself

When they got him to the hospital his pulse was gone
They thought that he was dead
His guts were pouring from his wounds onto the floor
They thought that he was dead
Not until years later would the hospital do to him what
she could not
Andy said, "where were you, you didn't come to see
me"
Andy said, "i think I died, why didn't you come to see
me"
Andy said, ""t hurt so much, they took blood from my
hand"

I believe there's got to be some retribution
I believe there's got to be some retribution
I believe we are all the poorer for it now
