Who's that in the big japanese car?  
Dealing sushi from a german bar  
Well no one knows but he won't get far

I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk

Who put the fishes in the deep blue sea?  
Who put the monkeys back in the tree?  
Well it wasn't you and it wasn't me

I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk

Who's been sleeping in my vcr?  
Who's been chewing on my pdr?  
I must complain to the manager

I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk

Who's that sailing in the black lagoon?  
Who's erasing the face of the man in the moon?  
Well I hope he don't come around here too soon

I took my tomahawk for a satellite walk  
I took my tomahawk for a satellite walk

Wake up, wake up  
Get up, get up  
Let's dance
