Who's in charge?
Who's in charge?
Who's in charge?
Who's in charge?

Is it the army? Is it the money?
Are you responsible? I'm not responsible
You wanna die now?
Why not, it's a good day to die

Who's in charge?
Who's in charge?
Who's in charge?
Who's in charge?

Who's in charge?
Who's in charge?

It's not the Pope
It's not the president
It's not the Rabbi
It's not the Buddha

It's not the nature man
It's not the priest
It's not the artists
It's not the geniuses

It's not the audience
It's not the critics
Cain and Abel
Not Romulus and Remus

Who's in charge?
Who's in charge?
Who's in charge?
Who's in charge?

It's not the doctors
It's not the teachers
It's not the detectives
It's not the scientists

It's not the socialists
It's not the computerists
It's not the teamsters
It's not the comedians

It's the outlaws
It's not the artists
It's the futurists
It's not the dadaists

It's the soloists
It's not the audience
It's a mountain
It's not Mohammad

Who's in charge?
Who's in charge?
Who's in charge?
Who's in charge?

Who's in charge?
Who's in charge?
Who's in charge?
Who's in charge?
