Serra dear, I've always taken care of you  
All I want is for you to be happy

Velvet, I can wish you  
For the collar of your coat  
And fortune smiling all along your way  
But more, I cannot wish you  
Than to wish you find your love  
Your own true love this day

Mansions, I can wish you  
Seven footmen, all in red  
And calling cards upon a silver tray  
But more, I cannot wish you  
Than to wish you find your love  
Your own true love this day

Standing there, gazing at you  
Full of the bloom of youth  
Standing there, gazing at you  
With a sheep's eye and a lickerish tooth

Music I can wish you  
Merry music, while you're young  
And wisdom when your hair has turned to gray  
But more, I cannot wish you  
Than to wish you find your love  
Your own true love this day

With a sheep's eye and a lickerish tooth  
And the strong arms to carry you away
