[Chorus 2X: John Cena]

We roll by in the pimp ride (then we)  
Walk through with the pimp slide (y'all know me)  
Crew heavy on the thick side  
Everybody feelin this, y'all know we serious

[John Cena]

I'll be makin you move so quick you can't see me in  
slow-mo  
Get your throat cut when you step in the dojo  
Y'all got no flow, we be makin hits  
You like a proctologist, you feelin my shit  
Yeah - you all hype like a street team  
I spend more time holdin a mic than Mean Gene  
Makin beat fiends scream, they be lovin the click  
Roll solo to the party but I leave with ya chick  
Cause she know that when I'm flowin it's hot  
There's a party in my pants, she be blowin the spot  
But naked in the old school drop, givin me skull again  
She give me free strokes, that's why I call her a  
mulligan  
See me on TV, knows everything about me  
You can't fuck with me, she can't fuck without me  
And if you think she don't be lovin my thangs  
That's like sayin you eat at Hooters for the buffalo  
wings, what?

[Chorus]

[Tha Trademarc]

Fuck record execs, promisin checks  
I been cleanin tables now I'm seein labels, these chicks  
sayin "haven't we met," man holdin my breath  
Feel like the lesser of two evils that I haven't seen yet

I got girls runnin game with a pimp strut  
Big butt booty bitches tryin to link up  
They walkin toward me, conversation and they body  
bore me  
I got no game, it's just some bitches understand my

story  
Nas said it before, that's raw  
If you leavin the club your clothes'll end up on the car  
floor  
Man, I got no time for words after sex  
I just kick you to the curb and be laughin next  
Cause Trademarc is a clingy chick's nightmare  
Even though you took me home, I won't spend the night  
there  
I've had hookers to virgins, on they back  
Wild sex all the way to dead lays like necrophiliacs

[Chorus]

[John Cena]  
Johnny Cena got the girls, girls but I'm not Jay-Z  
I play the field, I never let the field play me  
You see my Chevy? You know there's ten chicks aboard  
Plus the whip got more switches than the mixer board  
I'm stickin your whore, while you flossin your Range  
Gave her a dollar, she gave me back a buck and some  
change  
She tried to swallow me whole, I brushed the back of  
her wig  
She called my dick Frank White cause it's +Notoriously  
B.I.G.+

[Chorus]
