[John Cena]

This is YJ Stinger, man, it's legendary  
With nothin' but hot flavaz like Enraged Raspberry  
You need a boost? Well, Stinger is necessary  
Keeps me focused to access vocabulary  
YJ Stinger helps me keep up the pace  
And it goes down smooth, it don't got the metal taste  
But Stinger hits hard like linebackers do  
And it's bought to you by Stacker 2  
Them other wannabes, yo, we make 'em extinct  
YJ Stinger is your energy drink  
This ain't half-assed, we come at ya full swing  
So go, "Catch the buzz, feel the sting!"  
What?
