[John Cena]

Stinger's the new drink, it's all over the streets, man!

Look for the yellow jacket all over the green can

It'll pump adrenaline like a giant machine, man!

Drink anything else? That's just obscene, man!

Need a pickup in your daily routine, man?

It'll blast like a fire with gasoline, man!

Make sure the simple citrus is up your hand

Ten times the energy of any heavy metal band

Y'all don't know by now, I'm a-smack yo crew

This is YJ Stinger from Stacker 2

This YJ Stinger is the energy king

So, "Catch the buzz and feel the sting!"

That good? Alright, cool....
